Build Your Business on Clover Station.

Clover streamlines your operations with a sleek, customizable solution designed to safely process virtually every payment type quickly and reliably. It also handles core registration functions and can even simplify daily tasks like managing staffing, online orders and deliveries and more.

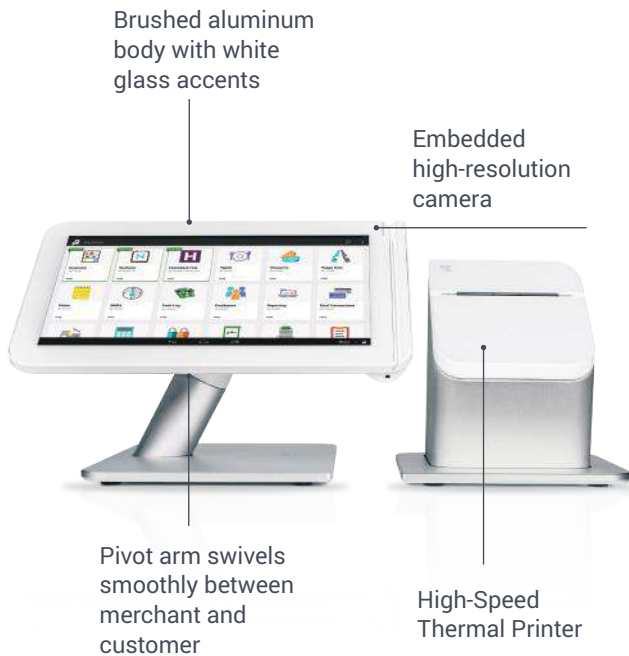

Business done better.

Clover enables you to handle all of your essential business needs—right out of the box

- Accept more types of payments from magnetic-strip and EMV®-enabled credit and debit cards to Apple Pay® (when you include our secure FD40 Pin Pad)
- Help protect your customers, business and reputation from fraud with built-in Clover Security
- Set up a mobile loyalty and rewards program designed to drive business with Clover Customer Engagement
- Get deeper understanding about your business with Clover Insights

Additional benefits

- Simple setup lets you start accepting payments immediately
- Continue to accept payments even when your Internet is down
- Clover features more than 150 apps available on the Clover App Market, making it far superior to its square-shaped competitors
- Allows for Ethernet and wireless capabilities
